Dear Randy and Wes and networking4biz.com,

I wanted to thank you for signing up with your business almost a year ago. I just wanted to write you a quick letter of recommendation for anyone thinking of signing up. I am a woman business owner and cannot afford to take chances on things that don't work. I really don't know how much business I generated from google but I do know that I have received a significant number of business calls over the last year and I wanted to say that I would recommend you to anyone. I am an antique appraiser and it is a niche market and I didn't honestly know if it was going to work. It is working great and keep up the good work.

Regards,

Louise Phillips
